INTERVIEW SUMMARY

Sir:

Applicant's representative (hereinafter "Applicant") conducted a telephone interview with the present Examiner's Supervisor, Chris Grant, on Friday, February 2, 2007. In such interview, Applicant requested a discussion of Applicant's request for withdrawal of the finality of the Office Action dated November 28, 2006, in view of Applicant's response filed January 29, 2007, which response included a renewed Declaration under 37 C.F.R. §1.131 that was filed to cure the Declaration under 37 C.F.R. §1.131 filed on September 11, 2006. The original Declaration under 37 C.F.R. §1.131 filed on September 11, 2006, was deemed defective in overcoming the Bates et al. reference (U.S. Patent Publication 2002/0145321).

Applicant respectfully requests that the Declaration under 37 C.F.R. §1.131 that was filed on January 29, 2007, should be considered after Final because the evidence submitted therein would invalidate the primary prior art reference of record, namely the Bates et al. reference (U.S. Patent Publication 2003/0145321). Furthermore, Applicant intended to swear behind the Bates et al. reference as evidenced by the earlier-presented Declaration under 37 C.F.R. §1.131 that was filed on September 11, 2006. The Declaration under 37 C.F.R. §1.131 that was filed on January 29, 2007, was presented after many telephone discussions with Chris Grant regarding

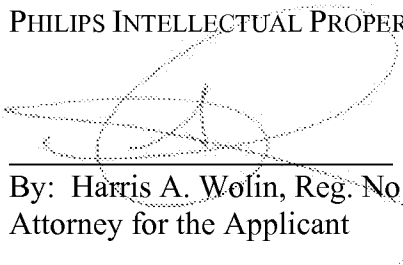

the propriety of the content of the Declaration under 37 C.F.R. §1.131 that was filed on September 11, 2006, it being understood that the Declaration under 37 C.F.R. §1.131 that was filed on January 29, 2007, was intended to cure any defects in the earlier-presented Declaration that deemed such earlier Declaration to be defective as set forth in the Office Action dated November 28, 2006.

Thus, Applicant respectfully requests consideration of the Declaration under 37 C.F.R. §1.131 that was filed on January 29, 2007, after final and reconsideration of the finality of the Office Action dated November 28, 2006, pursuant to 37 C.F.R. §116(e).
